EVENT OVERVIEW

We hope you will join us for a special evening benefiting PACT: Helping Children with Special Needs.

At this event, we’ll announce the first recipients of our new Audrey Leviton imPACT Award, named to honor our executive director, Audrey Leviton, for her 20 years of dedicated service to PACT. The award recognizes individuals who have made outstanding contributions to PACT for the benefit of the organization’s children and families.

The Audrey Leviton imPACT Award will be presented to Tim Hathaway and Charlie Constable, two individuals from Brown Advisory who, like Audrey, have been essential to PACT’s success.

We invite you to take part in this special evening by supporting PACT through a sponsorship. There are five sponsorship levels, and each one comes with special benefits. Funds raised through the sponsorships will support the PACT Medical Child Care Scholarship Fund, which enables medically fragile children to attend PACT’s World of Care medical child care program, the only child care available in the Baltimore region for children with significant medical conditions requiring daily nursing interventions.

ABOUT PACT

PACT: Helping Children with Special Needs promotes the development of young children with special needs and their families through specialized child care, early intervention services, family support, parent education and professional training. PACT specializes in working with very young children—i.e., children under the age of 5—with special needs and their families.

PACT was established in 1981 as one of Maryland’s earliest intervention programs for infants and toddlers with developmental disabilities and delays. Today, PACT has two unique, specialized child care programs: World of Care, for medically fragile and/or developmentally delayed young children, and the Therapeutic Nursery, for young children and their parents experiencing homelessness.
